

Government of Ireland International Scholarships

This is to certify that

Yijie Huang

has been awarded a Government of Ireland International Scholarship in the academic year
2012/13

The Government of Ireland International Scholarships programme was established in 2012 under *Ireland's International Education Strategy 2010-15*. It is jointly funded by the Irish Government and Irish higher education institutions to attract talented international students to Ireland and is managed by the Higher Education Authority.
